

The Spaghetti Dinner

Our annual Spaghetti Dinner was a big success. We will be able to send dictionaries to all 3rd graders in the school districts of Bella Vista, Bentonville, Pea Ridge and Gravette again!

The pints of extra spaghetti sauce that members had been lovingly brewing since 9 a.m. went like hotcakes.

The \$10.00 Mystery bags that members put together with \$20.00 worth of mystery items also flew off the shelf. Returning diners were very excited to buy again!

We will be serving more yummy spaghetti next October!
